What is a Basket Raffle? A Basket Raffle is a fun and exciting night out where you have the opportunity to win wonderful prizes. When you arrive at the raffle with your admission ticket you will receive an envelope with 20 small tickets with the same number on them. You will have the opportunity to purchase additional tickets that night. The baskets will be on display to preview and next to each basket will be a bag where you may place your ticket(s) for a chance to win that particular basket. If you really love a certain basket it's your option to place as many tickets as you would like in the basket you wish to win. Once the raffle drawing begins a winner is drawn from each bag, the number is called, and the winner can take home their prize that evening.

Please Return this portion with your money (check or cash) to school in an envelope marked Barb Ferri/Basket Raffle. Checks should be made out to NHUF PTCA. Your admission ticket(s) will be sent home with your child.
